

## Sample Analytics Dashboards and Reports

The TrueJob platform provides important reporting and metrics out of the box. These are available via a web based analytics dashboard that includes data in list and graph form, as well as different options for exporting to CSV for use in Excel and Google Docs. Custom metrics and reports are available by request.

# Key TrueJob Metrics

- Employer Signups
- Job Postings
- Job Views
- Job Apply Clicks
- Job Application Submissions
- Jobs Filled
- Job Seeker Contact Information

From the TrueJob analytics dashboard, users can view these key metrics in list form, graph form, or export them to CSV for use in Excel or Google Docs.

# Key Questions Answered by TrueJob Metrics

# TrueJob Analytics Dashboard Options

The screenshot displays the TrueJob Analytics dashboard. On the left is a 'JOB PORTAL MENU' with links to Dashboard, Job Portal Profile, Employers, Job Seekers, Job Postings, Analytics (highlighted), and Settings. The main content area is titled 'JOB PORTAL ANALYTICS' and includes a sub-menu: Employer Signups, Jobs Posted, Job Views, Apply Clicks, Job Applications, and Jobs Filled. The selected report is 'EMPLOYER SIGNUPS BETWEEN 2017-08-01 AND 2017-11-26'. Within this report, an 'OPTIONS' section is highlighted with a red border. This section contains an 'Interval' dropdown set to 'custom', and 'START DATE' (2017-08-01) and 'END DATE' (2017-11-26) fields. Below these are four checkboxes, all of which are checked: 'Show graph:', 'Cumulative graph:', 'Show list:', and 'Show detailed list:'. In the top right corner of the report area, there are links for 'CSV' and 'Edit'. The dashboard footer includes the TrueJob logo, a phone number (1-866-387-8356), and links for CONTACT, BLOG, TERMS, and PRIVACY, along with social media icons for Twitter and Facebook.
